

All-New i30 Fastback **N**

Welcome to Hyundai. Welcome to Candoism.

Innovation is at the heart of what we do. We call it 'Candoism' and it keeps us focused on the future. Since launching our industry-leading 5 year unlimited mileage warranty, we've become one of the world's fastest growing car companies.

In 2016 we launched IONIQ – the only car available in Hybrid, Electric and Plug-in Hybrid options. 2017 saw us premiere the i30 N, an exciting dive into the world of high quality performance vehicles. In 2018 we introduced the KONA electric, the first fully-electric subcompact SUV in the European market. 2019 has seen the launch of NEXO, our latest innovation in the mass production of zero-emission Hydrogen Fuel Cell vehicles. We've also revolutionised the buying experience with Click to Buy – our clever website which allows you to buy your next Hyundai from the comfort of your sofa. We're proud of what we've achieved in a short space of time.

So what happens next? The answer is inspired by you, our customers, because our next innovation will happen with you in mind. For us 'done' will never be 'done' – we're always excited to start again. Welcome to Candoism. Welcome to Hyundai.

Bold lines, elegant curves, timeless appeal.

Discover the joy of the open road in the stylish i30 Fastback N. Combining a dynamic profile with expressive features, it's designed to catch the eye.

The i30 Fastback N boasts a sophisticated sloping roofline, making it the epitome of fluidic design. Inspired by a drop of water, the elegant lines are evident from its tapered belt line to its sculpted rear bumper. These gliding features contrast with its more athletic qualities, such as 19" alloys, extended black glossy spoiler, rear red reflective character line and twin exhaust. An N exclusive radiator grille gives it an imposing presence, while red brake calipers with N logo add to its distinctive appeal. Its exterior design hints at its sense of adventure, where presence meets elegance and sport meets sophistication.

Home comforts on the open road.

With comfortable surroundings and a well-appointed interior, the i30 Fastback N brings an air of luxury. Everything is at your fingertips, so you can focus on the drive.

Leather Wrapped N Gear Knob

8" Touchscreen Navigation

Engine Start/Stop Button

Driver's Seat Memory Function

Proud of its motorsport roots, the i30 Fastback N showcases quality materials such as red air vent rings and dark metal inserts throughout. Striking high-performance N sport seats keep you in control, while power lumbar support and extendable seat cushions feature the N logo and red stitching. Enjoy the feel of the leather wrapped N gear knob and heated steering wheel, plus the stylish look of the black cloth headlining, N branded aluminium door sill. Get from A to B with 8" Touchscreen Satellite Navigation with traffic messaging channel, MapCare and LIVE services. Enjoy Bluetooth® connectivity with voice control, and connect devices with Android Auto™ and Apple CarPlay™ compatibility. You'll want to embark on more long distance drives than ever before.

Enjoy the performance.

The i30 Fastback N is up to every occasion. Agile in the city, smooth in the country, its grip, stability and agility will make every drive a pleasure.

Packed with features to enhance your journey, the i30 Fastback N is designed to have fun. Experience the joy of the road with a 2.0 T-GDi engine with 6-speed manual transmission. It'll give you 275PS at your disposal and acceleration of 0-62 mph in just 6.1 seconds - plenty of power when you need it. Enjoy a unique carving feel throughout each corner, thanks to precise rack-mounted power steering alongside E-LSD, giving you optimum control at all times. With faster downshifts, plus an overboost feature for more acceleration performance, you'll always get your day off to a great start. A driving experience for every occasion.

HYUNDAI i30 FASTBACK N

Choose your own driving mode.

No two journeys should be the same, which is why the i30 Fastback N allows you to select the mode that matches your mood.

The N steering wheel puts all the driving performance features right at your fingertips. Choose your drive mode or activate rev matching for more fun at the push of a button. Hit the N Button for maximum performance.

With controls on the steering wheel, you can change the characteristics of your car in an instant. Select from Eco, Normal, Sport, N and N custom and choose between saving fuel and dialing up the fun factor. Electronically controlled suspension and rack motor driven power steering result in a smooth journey, while torque vectoring and a rev-matching system ensure you'll never miss a beat.

* Kerb Weight defined as the total weight of a vehicle with standard equipment (the minimum figure) and factory fitted optional equipment (the maximum figure) and all necessary operating consumables such as oils, coolant, air conditioning refrigerant and a full tank of fuel, while not loaded with either driver, passengers or cargo.

† Payload is the difference between the Gross Vehicle Weight and the Kerb Weight.

‡ Gross Vehicle Weight is the maximum allowable weight of the vehicle, fully loaded with passengers and cargo (The Payload) and includes the weight of the vehicle.

** The Gross Train Weight is the weight of the fully loaded vehicle plus a fully loaded trailer and must not be exceeded.

†† Figures shown are for comparability purposes; only compare fuel consumption and CO₂ figures with other cars tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including accessories fitted (post registration), variations in weather, driving styles and vehicle load.

‡‡ g/km = grams of emitted substance per kilometre travelled. CO₂ = Carbon Dioxide. There is a new test used for fuel consumption and CO₂ figures.

Hyundai Finance

Hyundai Finance provides a range of products to make the purchase of your Hyundai even more accessible. To meet your requirements, our plans are simple but offer you the same quality and flexibility as your new Hyundai. Applying for a finance plan through your local Hyundai dealer is easy and they will support you in choosing the right plan for your needs.

As a customer your satisfaction is at the heart of our business, and whilst you are able to manage your account online, we are only a phone call away should you require any help or assistance. We offer two main products to assist your car purchase:

PERSONAL MOTOR LOAN

Personal Motor Loan is a simple and traditional way to finance your car over a fixed period. You decide to fund the entire purchase price or put down a deposit and as your interest rate is fixed you'll pay the same amount each month. After all repayments have been made you'll own the car.

PERSONAL CONTRACT PURCHASE (PCP)

Personal Contract Purchase could make it easier for you to get behind the wheel of your Hyundai, it may also help you to change your car on a more regular basis.

The way it works is simple — you decide what level of deposit to pay. From nil, up to a maximum of 50%. You also decide your repayment period (typically 25, 37 or 49 months) and set your anticipated annual mileage. This will determine your optional final payment.

You will then make fixed monthly repayments based on the outstanding balance and interest, less your optional final payment, and at the end of your monthly repayment period you will have three choices: return, retain or renew.

RETURN: you can hand the car back to us with nothing further to pay (subject to fair wear and tear, and/or excess mileage charges may apply).

RETAIN: you can pay the optional final payment and the car is yours.

RENEW: you can part exchange the car, using any equity over and above the optional final payment as deposit on your next car (equity is anticipated, but this cannot be guaranteed).

PERSONAL CONTRACT HIRE

Personal Contract Hire is the choice favoured by most people who would prefer to lease a car, rather than own one. You pay an initial upfront advance rental (amount dependent on size of monthly rental), usually the equivalent to three, six or nine monthly rentals. You then pay a fixed monthly rental fee (plus VAT) and in return have the right to use your chosen car over a pre-agreed period and mileage.

At the end of this period you are not responsible for the disposal, you simply return the car without further cost, providing it has not exceeded the agreed mileage and the condition is reflective of its age and mileage. There is no option to own the car at the end of the contact.

T&Cs apply. Subject to status. Applicants must be 18 or over. Guarantee/Indemnity may be required. Hyundai Finance, RH2 9AQ

5 Year Unlimited Mileage Warranty

At Hyundai we continually invest in the latest manufacturing technology designed to give you years of enjoyable motoring. Our trust in our products is backed up by our comprehensive aftercare package to ensure you have the best possible experience as a Hyundai owner.

Only Hyundai-trained technicians will carry out any warranty work, and we'll also check for any software updates to keep your car running smoothly. You can be sure that we'll only use Hyundai Genuine Parts – tested and approved by us.

5 YEAR UNLIMITED MILEAGE WARRANTY

Peace of mind comes as standard with our manufacturer-backed, unlimited mileage, 5 year warranty* which protects your Hyundai against manufacturing defects and is fully transferable to the next owner.

HYUNDAI ROADSIDE ASSISTANCE

24 hour roadside assistance should you ever need it, anywhere in the UK or Channel Islands, with Onward Travel included to get you home if your car can't be fixed at the roadside†.

5 ANNUAL VEHICLE HEALTH CHECKS

Free, expert visual inspections by your Hyundai dealer on key areas of your car, to help spot any potential problems early.

ADDITIONAL AFTERCARE

A 12 year anti-perforation warranty against perforation of the bodywork, from the inside of the panel outwards.

* Vehicles used for taxi, daily rental hire and reward or light commercial vehicles are limited to 100,000 miles. Terms and conditions apply. Visit hyundai.co.uk/warranty for further details.

† Complimentary Hyundai Roadside Assistance automatically covers your Hyundai for 12 months from the date of first registration and can be re-activated annually upon adhering to the recommended service schedule at an Authorised Hyundai Dealer. Visit hyundai.co.uk/assistance for further details.

Motability Plans

The Motability plan will enable some of you to purchase a Hyundai at a preferential rate. If you receive the Higher Rate Mobility Component of the Disability Living Allowance, you're entitled to access this excellent scheme. In recognition of your requirements, many Hyundai models can be ordered on the 3 year Contract Hire Scheme.

You'll benefit from advantageous features like power steering, height-adjustable driver's seat and automatic gearbox, which all come as standard.

Most of our dealers are Motability Accredited, so just contact them and they'll be happy to help. If you'd like to read about the scheme in more depth, simply visit www.motability.co.uk

Hyundai Service Plans

For the school runs and the shopping trips.
The multi-storeys and the motorways.
Holidays, the commute, the appointment you simply can't be late for.
This is your driving life.

Hyundai Service Plans are a convenient way to plan ahead, with a bespoke plan, tailored for your individual circumstances.
So you're simply free to live your driving life knowing your servicing costs are already covered.
With payment options to suit you and no interest or credit checks.
Just the certainty that your Hyundai is always in great hands.
