

i30 *N*

 **HYUNDAI**

Welcome to Hyundai. Welcome to Candoism.

Innovation is at the heart of what we do. We call it 'Candoism' and it keeps us focused on the future. Since launching our industry-leading 5 year unlimited mileage warranty, we've become one of the world's fastest growing car companies.

In 2016 we launched IONIQ – the only car available in Hybrid, Electric and Plug-in Hybrid options. 2017 saw us premiere the i30 N, an exciting dive into the world of high quality performance vehicles. In 2018 we introduced the KONA electric, the first fully-electric subcompact SUV in the European market. 2019 has seen the launch of NEXO, our latest innovation in the mass production of zero-emission Hydrogen Fuel Cell vehicles. We've also revolutionised the buying experience with Click to Buy – our clever website which allows you to buy your next Hyundai from the comfort of your sofa. We're proud of what we've achieved in a short space of time.

So what happens next? The answer is inspired by you, our customers, because our next innovation will happen with you in mind. For us 'done' will never be 'done' – we're always excited to start again. Welcome to Candoism. Welcome to Hyundai.

Born in Namyang,
honed at the Nürburgring.
With a logo that symbolises
a racetrack's chicane,
i30 N embodies the true
spirit of driving.

Explore racetrack dynamics on every trip.

Engineered to get your heart pumping and your pulse racing, the i30 N delivers above and beyond your expectations, every time you step inside.

The i30 N was created for maximum enjoyment on the open road. Every aspect has been meticulously engineered to combine raw power with comfortable daily commuting. Built in the sweet spot where performance meets practicality, it's capable of delivering a serious kick. Truly a sports car for every day, it'll help you make the most of each moment behind the wheel.

Designed to turn heads.

The i30 N's sporty design elements and low-slung body perfectly reflect its credentials. Whether it's on the road or parked in your driveway, its striking appearance will always turn heads.

The i30 N makes a powerful statement right from the outset. Commanding your attention from the front is an aggressive bumper with large air intakes and a unique, stylish cascading grille and N logo. It also features exclusive 18" or 19" wheels embossed with the N logo, plus high-performance brakes with stylish red N calipers.

Car shown i30 N Performance in Performance Blue Special Paint. Not shown to UK specification.

A mix of form and function.

The i30 N was built to impress, but its dynamic form follows even more impressive functionality. Designers and aerodynamic specialists came together to build a model that excels in every area.

Agile cornering meets eye-catching style. The double-deck rear spoiler with integrated triangular brake light helps to increase downforce and give you more grip through fluid corners – minimising lift and maximising fun. The striking LED rear combination lamps match the aggressive front-end design, highlighting its distinctive rear view.

Sporty style meets premium comfort.

The i30 N delivers on every level by providing an experience that cleverly combines sporty style with laid-back comfort. Enter the cockpit and enjoy the ride.

Enter the i30 N and feel its motor sport roots instantly. The uniquely designed high-performance N sport seats keep you comfortable and in control, thanks to power lumbar support and extendable seat cushions. Featuring the N logo and stylish blue contrast stitching, they're available in a suede and leather combination or full cloth. The sporty character of the interior is further enhanced by the high-quality materials and dark metal inserts that can be found throughout.

Interior shown i30 N Performance in Performance Blue Special Paint.

Not to UK specification.

Connect at all times.

Keep in touch on the open road thanks to a range of cutting-edge features designed to integrate with your innovative tech.

Make the most of seamless connectivity, including an 8" touch screen display that makes everything easily accessible with Apple CarPlay™ and Android Auto™. Get to your destination with a minimum of fuss thanks to the navigation system that includes LIVE Services. Plus, there's even a centrally-located wireless charging pad for easy, cable-free, smartphone charging.

Every drive is a new thrill.

The blistering performance of the i30 N will have you itching to get behind the wheel. Its spine-tingling fun-factor means there's always new terrain to discover. You'll never want your journey to end.

The i30 N is driven by a highly responsive 2.0 T-GDi direct-injection turbo engine, providing significant power up to 275PS. Featuring an overboost function that temporarily increases torque by 7%, the i30 N is equipped with front-wheel drive and a six-speed manual transmission with a carbon synchronizer ring and a strong clutch. Short shift travel helps with fast-shifting, delivering lightning-fast responsiveness for a sportier feeling to your everyday life.

Car shown i30 N Performance in Performance Blue Special Paint. Not to UK specification.

Agile handling, total control.

Enjoy a unique carving feel though each corner thanks to advanced technologies which improve your grip and stability. It's engineered for maximum fun.

Equipped with an impressive array of high-performance components that provide world-class cornering ability, the i30 N is renowned for its agile handling. Direct and highly-precise, rack-mounted power steering arrives alongside E-LSD, giving you optimum handling at all times.

Born on the track, ready for the road.

With a wide range of racetrack features for enhanced performance, the i30 N is ready for anything. Tested in extreme temperatures and extreme locations, it's always raring to go.

On the track, launch control helps to launch the car from standstill by controlling the engine torque. The rev matching feature automatically increases the revs on the engine when shifting so you can enjoy smoother and faster downshifts. Finally, the overboost improves acceleration performance for a short time – perfect for getting your day off to the best possible start.

Car shown i30 N Performance in Performance Blue Special Paint. Not to UK specification.

Power at your fingertips.

The i30 N puts you right in control. Its intuitive layout helps you make tiny adjustments along the way, so you can make the most of every minute.

Inside the i30 N, there's everything you need to control the power and comfort level. It's all right at your fingertips. Dial up the attention factor by tweaking the sound of the exhaust, or adapt to the road by adjusting the stiffness of the suspension. You can customise your experience – all at the push of a button.

Highest performance from A to B.

Enjoy an extra personal touch by creating your own custom set-up. You'll pick your destination and then decide exactly how you want to get there.

In the N Custom mode, you can select the powertrain and chassis settings for each area. You can programme each high performance component to match your style and the type of adventure you're on. Tailor it as you wish, and adapt it whenever you need.

Car shown i30 N Performance in Performance Blue Special Paint. Not to UK specification.

Data driven performance.

The i30 N cockpit is as much about you as it is about the car. The ergonomics are completely driver-focused. The High Performance Driving Data function allows you to display track data on the optimally-positioned floating touch screen. Featured driving data includes all the statistics you'll ever need – including power, torque, turbo boost and G-force, as well as a lap and acceleration timer.

Heading to work or driving on your favourite curvy back road? Depending on your mood and the road conditions, you can choose between 5 drive modes: Eco, Normal, Sport, N and N Custom.

The N steering wheel puts all the driving performance features right at your fingertips. Choose your drive mode or activate rev matching for more fun at the push of a button. Hit the N Button for maximum performance.

Driving modes.

At the push of a button you can select from five distinct driving modes to match your mood. Each different mode changes the character of the i30 N in its own unique way. Adjust the parameters of the engine, the dampers of the electronically controlled suspension, Electronic Stability Control (ESC), engine sound, steering and rev matching.

Stay safe with Hyundai SmartSense.

With Hyundai SmartSense, our cutting-edge Advanced Driver Assistance Systems, the i30 N comes with the latest active safety technology. It's built to provide you and your passengers with optimum safety for extra peace of mind.

Lane Keeping Assist (LKA): At speeds over 37 mph the system alerts the driver about unsafe movements. In case of an unintended lane departure, it will warn the driver and can apply counter steering torque to guide the car back to a safe position.

Autonomous Emergency Braking (AEB): Automatically applies partial or maximum braking force if a potential collision is detected.

Driver Attention Alert (DAA): This standard feature raises safety and convenience to an entirely new level by continuously monitoring and analysing driving patterns. When a pattern of fatigue or distraction is identified, DAA gets the driver's attention with an audible alert and pop-up message suggesting a break.

Emergency Stop Signal (ESS): ESS helps warn surrounding traffic when emergency braking on the i30 N is detected.

* Kerb Weight defined as the total weight of a vehicle with standard equipment (the minimum figure and factory fitted optional equipment (the maximum figure) and all necessary operating consumables such as oils, coolant, air conditioning refrigerant and a full tank of fuel, while not loaded with either driver, passengers or cargo.

† Payload is the difference between the Gross Vehicle Weight and the Kerb Weight.

‡ Gross Vehicle Weight is the maximum allowable weight of the vehicle, fully loaded with passengers and cargo (The Payload) and includes the weight of the vehicle.

*** The Gross Train Weight is the weight of the fully loaded vehicle plus a fully loaded trailer and must not be exceeded.

†† Figures shown are for comparability purposes; only compare fuel consumption and CO₂ figures with other cars tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including accessories fitted (post registration), variations in weather, driving styles and vehicle load.

‡‡ g/km = grams of emitted substance per kilometre travelled. CO₂ = Carbon Dioxide. There is a new test used for fuel consumption and CO₂ figures.

i30 N DIMENSIONS

Hyundai Finance

Hyundai Finance provides a range of products to make the purchase of your Hyundai even more accessible. To meet your requirements, our plans are simple but offer you the same quality and flexibility as your new Hyundai. Applying for a finance plan through your local Hyundai dealer is easy and they will support you in choosing the right plan for your needs.

As a customer your satisfaction is at the heart of our business, and whilst you are able to manage your account online, we are only a phone call away should you require any help or assistance. We offer two main products to assist your car purchase:

CONDITIONAL SALE

Conditional Sale is a simple and traditional way to finance your car over a fixed period. You decide to fund the entire purchase price or put down a deposit and as your interest rate is fixed you'll pay the same amount each month. After all repayments have been made you'll own the car.

PERSONAL CONTRACT PURCHASE (PCP)

Personal Contract Purchase could make it easier for you to get behind the wheel of your Hyundai, it may also help you to change your car on a more regular basis.

The way it works is simple — you decide what level of deposit to pay. From nil, up to a maximum of 50%. You also decide your repayment period (typically 25, 37 or 49 months) and set your anticipated annual mileage. This will determine your optional final payment.

You will then make fixed monthly repayments based on the outstanding balance and interest, less your optional final payment, and at the end of your monthly repayment period you will have three choices: return, retain or renew.

RETURN: you can hand the car back to us with nothing further to pay (subject to fair wear and tear, and/or excess mileage charges may apply).

RETAIN: you can pay the optional final payment and the car is yours.

RENEW: you can part exchange the car, using any equity over and above the optional final payment as deposit on your next car (equity is anticipated, but this cannot be guaranteed).

T&Cs apply. Subject to status. Applicants must be 18 or over. Guarantee/Indemnity may be required. Hyundai Finance, RH1 1SR

5 Year Unlimited Mileage Warranty

At Hyundai we continually invest in the latest manufacturing technology designed to give you years of enjoyable motoring. Our trust in our products is backed up by our comprehensive aftercare package to ensure you have the best possible experience as a Hyundai owner.

Only Hyundai-trained technicians will carry out any warranty work, and we'll also check for any software updates to keep your car running smoothly. You can be sure that we'll only use Hyundai Genuine Parts – tested and approved by us.

5 YEAR UNLIMITED MILEAGE WARRANTY

Peace of mind comes as standard with our manufacturer-backed, unlimited mileage, 5 year warranty* which protects your Hyundai against manufacturing defects and is fully transferable to the next owner.

HYUNDAI ROADSIDE ASSISTANCE

24 hour roadside assistance should you ever need it, anywhere in the UK or Channel Islands, with Onward Travel included to get you home if your car can't be fixed at the roadside†.

5 ANNUAL VEHICLE HEALTH CHECKS

Free, expert visual inspections by your Hyundai dealer on key areas of your car, to help spot any potential problems early.

ADDITIONAL AFTERCARE

A 12 year anti-perforation warranty against perforation of the bodywork, from the inside of the panel outwards.

* Vehicles used for taxi, daily rental hire and reward or light commercial vehicles are limited to 100,000 miles. Terms and conditions apply. Visit hyundai.co.uk/warranty for further details.

† Complimentary Hyundai Roadside Assistance automatically covers your Hyundai for 12 months from the date of first registration and can be re-activated annually upon adhering to the recommended service schedule at an Authorised Hyundai Dealer. Visit hyundai.co.uk/assistance for further details.

Motability Plans

The Motability plan will enable some of you to purchase a Hyundai at a preferential rate. If you receive the Higher Rate Mobility Component of the Disability Living Allowance, you're entitled to access this excellent scheme. In recognition of your requirements, many Hyundai models can be ordered on the 3 year Contract Hire Scheme.

You'll benefit from advantageous features like power steering, height-adjustable driver's seat and automatic gearbox, which all come as standard.

Most of our dealers are Motability Accredited, so just contact them and they'll be happy to help. If you'd like to read about the scheme in more depth, simply visit www.motability.co.uk

Hyundai Service Plans

For the school runs and the shopping trips.
The multi-storeys and the motorways.
Holidays, the commute, the appointment you simply can't be late for.
This is your driving life.

Hyundai Service Plans are a convenient way to plan ahead, with a bespoke plan, tailored for your individual circumstances.

So you're simply free to live your driving life knowing your servicing costs are already covered.

With payment options to suit you and no interest or credit checks.
Just the certainty that your Hyundai is always in great hands.

For more information visit hyundai.co.uk/owning, contact your local dealer or call us on **0800 981 981**.

Hyundai Click To Buy™

Hyundai Click To Buy™ is the smarter, easier way to purchase a new car. Innovation has always been part of our DNA, and now we've streamlined the buying process itself. With a few simple clicks you can trade-in your old car, configure your new Hyundai, arrange finance and pay a deposit — all from your computer, tablet or smartphone device.

For added flexibility you can pay in cash, and the delivery arrangements couldn't be simpler. You can choose to get it delivered at your home at a cost, or collect it in the evening or weekend from your local dealer.

You'll be admiring your Hyundai in double-quick time thanks to the latest example of our new-thinking philosophy.

MyHyundai

MyHyundai is a complimentary and exclusive owners' club with a variety of unique benefits that'll make your ownership experience even more enjoyable.

As well as amazing offers that range from incredible getaways to indulgent gifts, you'll also be able to set your own alerts and preferences, while storing all your car's details in one, easily-accessible place.

Staying In Touch

We're committed to offering you the very best. That means, as well as delivering impressive cars, we'll also deliver helpful advice and service, every step of the way. Simply contact us on **0800 981 981** or visit our website at www.hyundai.co.uk
