

New i30

We have a passion for progress.

The “can-do” spirit is at the heart of Hyundai’s heritage. It’s the attitude of progressing, no matter what. From humble beginnings, this vision has driven us to seek new challenges, encapsulated since our founding in the name ‘Hyundai’ – meaning ‘modern times’.

It’s the persistent curiosity for what lies ahead. Of always chasing the next. What was once a man’s desire for better is today the ethos of an entire company. As our founder said: “How does one know it’s impossible if one hasn’t tried it?”

Progress doesn’t happen by chance. We’re always pushing the borders of the possible, building tomorrow’s technology today, and powering the future with an ever-evolving range of zero-emission engines, seamless in-car connectivity and more.

We’ve come a long way. And we won’t stop here. Next awaits.

Style that demands attention.

Eye-catching design from bumper all the way to the roofline.

Strong, bold and sleek, the contoured bumper offers a striking design.

Stylish 16", 17" and 18" alloy wheels add individuality and ride comfort.

The rear bumper adds to the aerodynamics with smooth lines and integrated exhaust.

Bold lines and elegant curves create a sleek eye-catching design. The restyled bumper and grille give the New i30 grace in motion – complemented by integrated LED Daytime Running Lamps and 17" alloy wheels available on our New i30 Premium. It's just as desirable from the driving seat, with premium interiors boasting luxury comfort cloth & leather and privacy glass.

Explore the open road.

The New i30 – built for power and agility, designed for comfort and efficiency.

Car shown New i30 Premium.

Three fuel-efficient powertrains let you decide the ride you need offering improved emissions and MPG, with a 48 Volt Hybrid engine as standard, and petrol and diesel options available – from 1.0 T-GDi 120PS up to 1.5 T-GDi 159PS. Whatever the journey brings your way, handle it in comfort with a spacious interior and convenient features like smart key and button start, wireless phone charging, heated seats, and much, much more.

Car shown New i30 Premium in Silky Bronze.

Next level driving.

Take driving into the pleasure zone with a track-inspired experience.

Car shown New i30 Premium in Sunset Red.

Welcome to N Line driving - enhanced performance, enhanced technology and an enhanced driving experience born on the track. With refined design all round, signature styling and 159PS from the 1.5 T-GDi 48 Volt Hybrid Powertrain, the New i30 N Line delivers a potent combination of power and poise. Developed on the track, delivered to your hands.

Next level comfort and control.

Subtle elegance and signature styling throughout.

Advanced infotainment at your fingertips with the 10.25" touch screen navigation. Image shown left hand drive.

When it comes to comfort, the interior of the New i30 stands out from the crowd. Subtle design and tactile surfaces are easy on the eye and responsive to the touch for positive command. With Premium and N Line trims including the large 10.25" touch screen navigation, we've taken the driver centred approach to the next level.

Car shown New i30 Fastback N Line in Sunset Red. Not to UK specification.

Blue Link™ Connected Car Services. Available on Premium and N Line models.

Phone Connection – Apple CarPlay™ / Android Auto. Available on all Trims.

Travel, better connected.

Take your life on the road with smarter in-car technology and seamless phone syncing.

10.25" Touchscreen Navigation with Bluelink. Available on Premium and N Line models.

Turn your car into your co-pilot with smart technology that links your devices. Bluetooth® with voice recognition and a 7" digital cluster keeps your focus on the road, while Apple Carplay™/Android Auto™ compatibility makes connecting a breeze. Find your destination without a fuss using the 10.25" touchscreen navigation, connect to LIVE services and Hyundai Bluelink™ with fully automated personal connectivity between the New i30 and your device.

Customise to perfection.

Accessorize all areas with a choice of hard-wearing protection or soft velour comfort for the interior of your New i30, and a selection of exterior chrome trims for your car to stand out from the crowd. Take it a step further with LED door projectors that light up the pavement and project the New i30 logo onto the ground.

Protect what matters most.

A car that keeps your loved ones safe.

Driver Attention Warning (DAW): When a pattern of fatigue or distraction is identified, the system gets your attention with an alert and pop-up message suggesting a break.

Front Collision Avoidance (FCA): The front view camera and radar sensors warn drivers of imminent collisions with vehicles and objects, applying the brakes when necessary to avoid collisions.

High Beam Assist (HBA): Less stress and maximum visibility. HBA not only detects oncoming vehicles but also vehicles in the same lane ahead and switches to low-beam as appropriate.

Lane Follow Assist (LFA): Smart sensors and the forward-facing camera detect when the car drifts from the centre of the lane, applying steering torque to hold road positioning for safety. The car also estimates the trajectory of the vehicle ahead and adjusts its position accordingly.

Lane Keep Assist (LKA): The Lane Keep Assist (LKA) uses the front multi-function camera to monitor the lines of the road. In case of an unintended lane departure, it warns you and can apply counter steering torque to guide the car back to the lane.

Rear Cross-traffic Collision Warning (RCCW): Sensors detect vehicles approaching from both sides when the New i30 is in reverse, avoiding collisions in congested or reduced visibility environments such as car parks.

The New i30 is filled with systems to protect passengers. Both Blind-spot and Rear Collision Warnings alert you if anyone's too close, while Lane Keep Assist keeps you within the lines. Tyre Pressure Monitoring System looks out for punctures to keep you safe, and if the worst happens the innovative eCall button will tell the emergency services exactly where you are.

Car shown New i30 Tourer Premium in Silky Bronze.

Timeless finishing and new beginnings.

Sometimes the little things tell you all you need to know. With carefully selected trims and modern design in harmony, the New i30 offers a complete range of interior options. Fabric, leather and colour coded stitching combine for a refined feeling of comfort and style to add to your drive.
